

🚀 Excited to share my first project on restaurant sales analysis, powered by Excel! 📊💻

I'm thrilled to unveil my latest project, where I delved into the world of restaurant sales analysis using Excel. Leveraging slicers, I've crafted a dynamic dashboard that offers actionable insights at a glance. 💡💻

Harnessing the power of DAX measures, I've ensured accurate calculations to drive informed decisions. 📊✨ Additionally, I utilized the Power Query Editor to clean and transform data seamlessly, enhancing the project's efficiency and reliability. 🔄💪

Stay tuned for more updates on my journey into data analytics and visualization! Let's connect and explore opportunities to collaborate. #Excel #DataAnalytics #RestaurantSalesAnalysis #PowerBI #DataVisualization
